Mural for Lagrange Middle school art classroom

The Everything Mural - 19ft high 27ft wide

This Cosmic fantasy was collaborated with Jessica Fisher to use every one of her students ideas into one giant mural, while adding tiny little pieces of works into it for them to find. Such as a tardis.

Kraken & Pirate Ship

Everything in these images are home made other than the inflatable tentacles inside the ship and the Skeleton pirate.

Rocks , Ship, 2 , 7 foot Tentacle and 6 ft Kraken head made from foam including the fake stone sign. All hand carved . Wood frame, Metal stakes and rebar. Exterior paint, all Led Lighting . fogger is on a timer.

I won first place from instructables for the Kraken Sculpture. Been featured on numerous social media and television as a must see display for the past 4 years.
